RE: C-SMMPO Council adopted Transportation Performance Measures (TPM) Safety Targets, as established by Maryland Department of Transportation, for the State of Maryland.

Dear Ms. Murphy,

On January 25, 2018, the Calvert-St. Mary's Metropolitan Planning Organization (C-SMMPO) Council adopted transportation performance measures (TPM) and targets for five safety performance measures, as established by the Maryland Department of Transportation (MDOT) for the State of Maryland via Resolution No. 01-2018. Per Federal requirements, the State and C-SMMPO are to review and establish performance targets annually.

MDOT has provided C-SMMPO an updated summary of TPM Established Targets for Maryland, which reflects TPM 1 Safety targets submitted by Maryland through the August 31, 2018 Highway Safety Improvement Program annual report.

C-SMMPO has reviewed MDOT's updated Transportation Performance Management (TPM) Established Targets for Maryland dated October 2018 and continues to support the State's established TPM 1 Safety targets. In the event that the C-SMMPO would establish targets different than the State's targets a resolution would be developed for the Council to approve, as established in Resolution No 01-2018.

As established in Resolution 01-2018, the C-SMMPO agrees to plan and program projects in the Transportation Improvement program (TIP) to accomplish the State's targets. The C-SMMPO also will report the State's baseline safety performance and the State's progress toward achieving the targets in the system performance report of the Long Range Transportation plan (LRTP).

If you have any questions, please contact Kathleen Easley at Kathleen.Easley@stmarysmd.com or at (301) 475-4200 ext. *1541.

Thank you for your continued cooperation.

Sincerely,

A handwritten signature in black ink that reads "William Hunt".

William Hunt
Director
