RE: C-SMMPO Continued support for the Transportation Performance Measures (TPM) Safety Targets, Established Targets for Maryland, as established by Maryland Department of Transportation (MDOT) for the State of Maryland.

Dear Mr. Anderson,

On January 25, 2018, the Calvert-St. Mary's Metropolitan Planning Organization (C-SMMPO) Council adopted transportation performance measures (TPM) and targets for five safety performance measures, as established by the Maryland Department of Transportation (MDOT) for the State of Maryland via Resolution No. 01-2018. Per Federal requirements, the State and C-SMMPO are to review and establish performance targets annually.

MDOT has provided the C-SMMPO with an updated summary of the Calendar Year 2025 Transportation Performance Management (TPM 1) Safety Targets set by the Maryland Highway Safety Office (MHSO) for the C-SMMPO Region and the State of Maryland, dated January 2025.

The C-SMMPO has reviewed MDOT's updated Transportation Performance Management (TPM) Established Targets for Maryland dated January 2025 and continues to support the State's C-SMMPO Regional Targets calculated using the State target setting methodology established TPM 1 Safety targets for the calendar year 2025.

In the event that the C-SMMPO would establish TPM targets that are different from the State's Established Targets, a resolution would be developed for the Council to approve, as established in Resolution No. 01-2018.

As established in Resolution No. 01-2018, the C-SMMPO agrees to plan and program projects in the Transportation Improvement Program (TIP) to accomplish the State's targets.

If you have any questions, please contact Karly Maltby at Karly.Maltby@stmaryscountymd.gov or at (301) 475-4200 ext. 1507. Thank you for your continued cooperation.

Sincerely,

A handwritten signature in blue ink that reads "jbandritz".
