RE: APPROVAL OF C-SMMPO FY 2025-2028 TIP ADMINISTRATIVE MODIFICATIONS FOR CALVERT AND ST. MARY’S TRANSPORTATION PROJECTS

Dear Mr. Paul J. Wiedefeld,

This letter is to inform you that the C-SMMPO approves the administrative modifications to two transit projects in the Calvert – St. Mary’s Metropolitan Planning Organization’s FY 2025-2028 Transportation Improvement Program (TIP) as revised.

The first modification is to the Ridesharing-Calvert County Transit (C-2018-115), to increase CMAQ funding type in FY 25 by \$8,730. The total project cost is \$43,650, which will cover the activities of the ridesharing program in Calvert County. This program will promote and encourage the establishment of carpools and vanpools.

The second modification is to the National Electric Vehicle Infrastructure (NEVI) (AZ3401) to increase funding type PE by \$10,000 and of type CO by \$74,000. The total project cost is estimated to be \$1.6 million. Construction of this project is wholly federally funded as MDOT SHA will use toll credits to convert the State funding component to federal funds. In addition, this funding includes federal funds to cover federally funded overhead expenses.

The information provided regarding the changes proposed is in order and necessary by MDOT and is subsequently endorsed by the C-SMMPO. The proposed changes will not impact scheduling or funding availability for other projects in the TIP, which continue to be fiscally constrained.
