RE: APPROVAL OF C-SMMPO FY 2025-2028 TIP ADMINISTRATIVE MODIFICATIONS FOR
CALVERT AND ST. MARY’S TRANSPORTATION PROJECTS

Dear Mr. Paul J. Wiedefeld,

This letter is to inform you that the C-SMMPO approves the administrative modifications to two transit projects in the Calvert – St. Mary’s Metropolitan Planning Organization’s FY 2025-2028 Transportation Improvement Program (TIP) as revised.

The first modification is to the Small Urban Transit System – Calvert County Transit (C-2018-10), to increase funding of the 5339 funding in FY 25 by \$117,394 and the local matching funds by \$29,352. The total project cost is \$1,103,426, which will provide capital assistance to enable Calvert County to continue to operate public transit services. Fare boxes, preventative maintenance, and small bus replacement projects will also be funded.

The second modification is to the Small Urban Transit System – St. Mary’s County Transit (S-2018-12), to increase funding of type 5339 by \$354,842 and type state/local match by \$88,712. The total project cost is \$2,971,910, which will provide capital assistance to enable St. Mary’s County to operate public transit service. Preventative maintenance and small bus replacement projects will also be funded.

The information provided regarding the changes proposed is in order and necessary by MDOT and is subsequently endorsed by the C-SMMPO. The proposed changes will not impact scheduling or funding availability for other projects in the TIP, which continue to be fiscally constrained.
