RE: APPROVAL OF C-SMMPO FY 2025-2028 TIP ADMINISTRATIVE MODIFICATION FOR THE NATIONAL ELECTRIC VEHICLE INFRASTRUCTURE (NEVI) PROJECT

Dear Mr. Paul J. Wiedefeld,

This letter is to inform you that the C-SMMPO approves the administrative modification to the project in the Calvert – St. Mary’s Metropolitan Planning Organization’s FY 2025-2028 Transportation Improvement Program (TIP) as revised.

The modification is to the NEVI Project (AZ3401), to increase funding of the design (PE) funding in FY 2025-2028 by \$26,000, and construction (CO) funding in FY 2025-2028 by \$277,000, across the four years. The total project cost is \$1,815,000, which will support the NEVI Program’s mission of creating a network of convenient, reliable, affordable, and equitable electric vehicle chargers along Maryland’s designated alternative fuel corridors.

The information provided regarding the changes proposed is in order and necessary by MDOT and is subsequently endorsed by the C-SMMPO. The proposed changes will not have an impact on scheduling or funding availability for other projects in the TIP, which continue to be fiscally constrained.

If you have any questions, please contact Courtney Jenkins at Courtney.Jenkins@stmaryscountymd.gov or at (301) 475-4200 ext. 1527. Thank you for your continued cooperation.

Sincerely,

A handwritten signature in blue ink that reads "JAndritz".

Jessica S.B. Andritz
Director of the Department of Land Use and Growth Management
St. Mary’s County Government
